Nineteenth Sunday in Ordinary Time August 13, 2017

The middle of August is always the time when we begin to plan for school, college and returning to the normal responsibilities of life. Isn't it funny how quickly the summer goes? During these remaining weeks of summer I hope that you will find the time to relax and refresh your minds and bodies in preparation of the busyness of September.

This coming Tuesday, August 15th, we celebrate the Feast of the Assumption of our Blessed Mother into Heaven. Mary was the first tabernacle of the Lord and it is appropriate that she who was without sin would say "Yes" to the Lord and would consequently be the living example for all human beings to follow. Mary's life while on earth centered on serving her Son Jesus and being mother to the emerging Christian community. After the Ascension of her Son, she went to live in Ephesus, modern day Turkey and was taken care of by St. John the beloved. It was appropriate that no decay would touch the body of our Blessed Mother. Mary, upon her death, was assumed body and soul into Heaven and brought to the glory of God. We believe that Mary was crowned Queen of Heaven and intercedes for us and for all of humankind.

On this beautiful feast day let us remember Mary's pain and suffering was nothing compared to the eternal glory she now lives in with the Father, the Son and the Holy Spirit in the Kingdom of Heaven. We too as human beings suffer while on earth and strive through holy lives to bring many souls to God. Upon our death we too hope to share glory with our Lord and Blessed Mother and live in perfect peace for all eternity.

I look forward to leading the trip to Portugal. The group leaves next Monday, August 21st. Be assured of our prayers and Mass intentions especially in Fatima. I so much look forward to my time in Fatima as we seek yet again the beautiful personality of Mary our Mother to guide us on our journey through life.

Alex is assisting Stephanie and me on the pilgrimage. It was great having him home for the summer. Please keep him in your prayers as he returns to the North American College in Rome in September to begin his third year of theology.

During my time abroad I will keep each of you in prayer and look forward to sharing many spiritual stories with you all upon my return. Enjoy these last couple of weeks of summer.

Fr. Owen

EARLY CHILDHOOD CENTER

The St. Rose of Lima Early Childhood Center in East Hanover, is proud and excited to announce the Grand Opening of our NEW PLAYSET! Our Fabulous Parent Committee raised the funds needed to purchase this awesome play set by hosting a Beefsteak Tricky Tray Event which raised over \$14,000. The committee members include, President, Karen Ford, Laura Bava, Antonia DiPasquale, Jackie Hamlett, Debbie Henry, Cristina Michaels, Jamie Repsher and Jennifer Toto.

The East Hanover Knights of Columbus donations and personal family donations also contributed to the funding of this grand undertaking.

Our Pastor, Father Owen Moran and Parochial Vicar, Father Matthew Kranc along with the Director of the Early Childhood Center, Mrs. Lorie Agrifolio and staff would like to thank the parent committee for all their efforts put forward for the children of St. Rose of Lima.

The play set was purchased and installed through Safety Down Under with the help of Martin Bercaw who was instrumental in working within our budget. A lot of hard work and dedication has gone into this project. It's something all of us can be proud of!

If you are interested in our newest toddler program, please call for more information and speak with our Director, Lorie Agrifolio for more details!

We are now accepting applications for our 2017/2018 school year. If you are interested in applying, or for a tour of our facility, please call 973-887-1801. You can also email cfreeman@stroseacad.org.

The Lizard Guys came to visit St. Rose of Lima Early Childhood Center. The children were amazed at all of the creatures they were able to touch. The Lizard Guy, Enzo, showed the children several lizards, two kinds of snakes, two turtles, a tarantula and a hissing cockroach! The children all got a chance to touch each animal and discuss what it felt like. Enzo also described the animals habitats, what they eat and how they defend themselves. Everyone had a great time and we all learned so much!
