Seventh Sunday of Easter May 13, 2018

Thank you for your prayers during my recent week in Lourdes. I'm proud to be a chaplain with the Order of Malta. I'm humbled by the good work the Knights and Dames do for so many. During my trip to Lourdes I was privileged to minister to those who are ill in many capacities. Many went to Lourdes seeking hope, +seeking direction and they all found that hope and direction through the glorious intercession of our Blessed Mother of Lourdes. Many of us receive miracles. The miracles are not always physical. I was privileged to witness the miracle of the acceptance of frailty and the realization of God's strength to those who are weak in body. I was the chaplain for the green team (I wonder why I was chosen for the green team!). We prayed together, we cried together, we trusted together. Through the holy anointings and confessions, through the immersions in the baths (these are special rooms where with great dignity, individuals are fully immersed into the waters of Lourdes), through Holy Mass, through standing at the grotto feeling the love of Mary, the faithful really felt an inner sense of love and peace which empowered us to continue our journey reinvigorated and aware that though our mortal bodies may fail us, our pure and holy souls will receive the dignity of the glory of heaven. Rather late on our last night a caretaker, a Malade (a sick person), two Charioteers (one man pulls, the other man pushes the buggy who transports the person who is unable to walk), two other volunteers and I, walked together to the grotto. With great awe we prayed to the Blessed Mother whose statue where she appeared was lit with many flickering candles. We prayed together and truly felt our Blessed Mother blessing us as we continued the journey through this life where she will greet us in eternal life.

How blessed we are in Fr. Matthew. I'm most grateful to him for taking charge of the parish in my absence but most importantly for the sharing of his priestly gifts and the kindness he extends to so many. As you know, we tease each other a lot and both of us I know enjoy serving you in our beloved St. Rose.

It is with great joy I announce the Ordination to Diaconate of our parishioner and seminarian, Alex Nevitt. Alex has been approved by our Bishop Arthur Serratelli, and by the rector and faculty of the North American College in Rome to be ordained a deacon at St. Peter's Basilica on Thursday, September 27, 2018. Alex will return to East Hanover on June 20th for the summer. We certainly look forward to having him home.

During this month of May with great joy we celebrate Mary our Blessed Mother. Today we celebrate the gift of motherhood. Considering the gift of motherhood we realize that "Mom" though loving, kind and gentle, is also incredibly strong in building for us a firm foundation of faith and morality. As we celebrate Mother's Day, on behalf of Fr. Matthew, I bestow God's blessings upon our mothers, grandmothers, godmothers and mom figures. Enjoy this beautiful Sunday and feel the love we extend to you today and always.

Happy Mother's Day!

Father Owen

A Mother's Love

There are times when only a mother's love
Can understand our tears,
Can soothe our disappointments
And calm all of our fears.

There are times when only a mother's love
Can share the joy we feel
When something we've dreamed about
Quite suddenly is real.

There are times when only a mother's faith
Can help us on life's way
And inspire in us the confidence
We need from day to day.

For a mother's heart and a mother's faith
And a mother's steadfast love
Were fashioned by the angels
And sent from God above.

Helping Homeless Kids

On **May 18**, I will be sleeping on the streets of Morristown so that homeless kids don't have to. This sleep-out is an act of solidarity with homeless young people to show them that we care. It will also raise funds and awareness for Covenant House, an organization that provides shelter, safety and support to homeless and trafficked youth. The money raised will be put to immediate use to keep doors open and lights on for every young person who seeks help this year. I have set an ambitious fundraising goal of \$750 that I cannot reach without your help. Please consider supporting my efforts by making a donation to my Sleep Out at

The weekend of May 4-6 we held yet another successful Youth Ministry Benefit Scrapbook event. For three days, 18 ladies from far and wide gathered in the Hyatt House Parsippany to preserve memories, create cards, share crafting and stamping ideas, laugh with old friends and make some new ones. So many people helped to make the Tricky Tray successful. A big thanks to many of the participants who donated items for the prize baskets for the Tricky Tray. We also received donations from Annabella's Pizza and Restaurant as well as Jersey Mike's. The Hyatt House also donated a free one-night stay! We were able to raise \$1300 for our Youth Ministry through admissions, Tricky Tray and 50/50. The girls had so much fun they asked us to plan another event for November of 2018. Maybe you'd like to stop by and shop, take the card making class or get in on the Tricky Tray. Be on the lookout in September for more details. It is a great place to donate an item to promote your business.

Our Grand Prize winner takes home a Cricut Explore Air 2. One happy scrapper wins a free night at The Hyatt House.

EARLY CHILDHOOD CENTER

HAPPY MOTHER'S DAY!

The children of St. Rose Early Childhood Center celebrated their moms and their dads this week in honor of Mother's Day. The Preschool Classes enjoyed Muffins with Mom, while the Pre-Kindergarten Classes celebrated Donuts with Dad. Please check out next week's bulletin for pictures!

Miss Casey's class discussed butterflies this week and began learning about ladybugs. Everyone shared what they knew about these bugs and where they have seen them. We even got to read some silly stories about each bug; our favorite was *Ladybug Girl and Bumblebee Boy*! Shapes and colors have been some of our favorite concepts in school; this week, students got to identify and color different shapes on butterfly wings. We even used our colors to make a Walking Rainbow in S.T.E.M. Our experiment started with us putting Red, yellow, and blue into water cups; it then traveled through wet paper towels to mix and make the colors of the rainbow. At the end, each cup had a different color of the rainbow. We all have been working hard on a special Mother's Day surprise for our mommies; we can't wait to share the surprises with them.

Miss Donna's class welcomed the spring weather by planting seeds and talking about butterflies. The class received five caterpillars and they are very excited to watch the whole life cycle right in their classroom. The children officially named their pet fish "Max!" They are comparing several books by Laura Numeroff. The first book had a girl main character and the second book's main character was a boy. The kids drew pictures just like the little mouse in "If You Give A Mouse a Cookie."

In Ms. Evelyn's class, we welcomed May by learning about May flowers and by honoring Mary. We "hand painted" flowers in a vase for our moms for Mother's Day and created some other special surprises for them. We learned more about the plant lifecycle as we observed the growth of our pumpkin vines. The longest vine is almost 5 inches! We created our own statues of Mary to display in our homes as we honor her, the Mother of us all! We devoted part of this week to learning about the letter Vv. Ironically, we learned in current events that a volcano is presently erupting on the island of Hawaii! We watched and read some news stories and then created an active volcano of our own! We also prayed for the people on the Big Island so that God will watch over them and keep them safe.

In Miss Lorie's Class, we concentrated on honoring our mothers for Mother's Day. We made our moms special surprises and also worked on our gifts for our Dads for Donuts with Dad. Father Matthew came in for a visit and interacted with the children, they always love to see him! We are currently watching our plants grow right before our eyes. Our pumpkin plants have begun to sprout and our carrots in our garden box are beginning to show signs of green leaves! We also attended First Friday Mass (On Thursday). In religion, we Honored Mary and discussed the roll she plays in religion. We made our own statues of Mary to send home and display in our homes, just in time for Mother's Day!

We celebrate the sacrament of Baptism most Sundays. Parents are welcome to have the Baptism celebrated either at a week-end Mass or at the Liturgy of Baptism at 1:15. To make arrangements for Baptism please call Father Owen or Fr. Matthew. Godparents must be confirmed and be active members of the church and attend Mass regularly.

At St. Rose we are strongly committed to the spiritual care of the sick. Because of privacy laws, hospitals and nursing homes are not allowed to release the patient's religious affiliation. Therefore, we must depend on families of our sick parishioners to inform us of their whereabouts and condition. Please notify the parish office of any need for a home or hospital visit.

RCIA

The Rite of Christian Initiation of Adults is a program for people who seek full initiation in the Catholic Church through the reception of the Sacraments of Baptism, Eucharist and Confirmation, which are received at Easter Vigil.
