*Thirty-Third Sunday in Ordinary Time November 13, 2016*

Well my friends we have a new President of the United States. It is very important as Americans to now pull together and support President-elect Donald Trump as he prepares to lead our great nation. Let's encourage our elected officials to be proud of their faith and to never be afraid or embarrassed to ask God to bless and strengthen our great nation.

On a local level here in East Hanover, I'm very proud of our Mayor Joe Pannullo and our elected officials. Fr. Matthew and I were invited to the swearing in ceremony of our new police chief Christopher Cannizzo on Tuesday, November 1<sup>st</sup>. As is the norm with our town, we the priests were delighted to be asked to bless the gatherings and those who spoke proudly said "God bless to all here." When we're strong enough and courageous enough to live our faith openly to invoke the name of God, miracles truly happen. We're delighted with Mayor Joe's choice of police chief and Fr. Matthew and I wish him well as he takes on this important position in our town. We're very proud of our East Hanover Police and here to support our chief and his officers in every and any way we can.

A big thank you to retired police chief Stanley Hansen. As the pastor, I've enjoyed working together with the chief. He has served our community for forty-three years, twenty-five of those years as our police chief. We thank him for his dedicated service and wish him God's blessings as he begins this new phase of his life.

On Monday, October 31<sup>st</sup> Fr. Matthew and Deacon Michal accompanied me to visit a dear friend and benefactor of St. Rose. Jan MacLennan-Kennedy, originally from St. Rose, Short Hills now lives in Southern New Hampshire. She flew us up to New Hampshire to offer a yearly Mass for her mother, the late Corinne MacLennan-Kennedy. We had a lovely afternoon on her wildlife preserve. See pictures of this inside the bulletin. Jan gifted us with \$10,000.00 which brought to completion her total gift of \$45,000.00 which completely paid for the transportation, repair and remodeling of our wonderful organ.

East Hanover has many wonderful restaurants. One of my favorites has always been Breanna's. Frank and his wife Colleen had a varied and tasty menu. I celebrated many special events at Breanna's and I know many in town enjoyed going to this elegant and yet friendly restaurant. Sadly, they had to close their business rather abruptly in early October after nineteen years. Our prayers and love surround Frank and Colleen in these difficult days. We certainly miss their wonderful food and service and hold them and their staff in prayer.

We will not have a second collection for Thanksgiving this year due to a very generous donation to the food pantry specifically for Thanksgiving. While we are thrilled to have this gift for Thanksgiving, we have several families locally who are in critical need. Should you wish to give a donation, we can always give them a little extra support.

This year yet again, I'm happy to welcome back the Ghanem Family from the Gifts of Bethlehem Olivewood carving who will again offer us a beautiful display of olivewood carvings suitable for Christmas gifts. The Ghanem family will be in the parish during and after all the Masses next weekend, November 19<sup>th</sup> – 20<sup>th</sup>. Please go down to the cafeteria after Mass and see the beautiful carvings which they have to offer.

*Father Owen*

## EARLY CHILDHOOD CENTER

Have you seen all of the beautiful Fall leaves around? We have noticed all of the colors of the leaves on the trees and we wondered, why do leaves change colors? We decided to investigate. We went on a leaf walk and gathered leaves. Next, we looked at our leaves through a magnifying glass to get a closer look. We read several stories about leaves and learned about the process of leaves changing colors. We learned new vocabulary words-chlorophyll and photosynthesis while we were investigating our leaves. Photosynthesis is the name for the way that plants use sunlight to make sugars for their food. Chlorophyll gives leaves their basic green coloring. As the weather cools, leaves shut down their food making process. The chlorophyll, the green from the leaves – leaves.

Next, we read the story, *Leaf Man*, by Lois Elhert and decided to make a leaf man or a leaf creature of our own. Learning about leaves is so much fun!
